In addition to your oral presentation, you will also be required to create a bookmark summary of your novel. Your teacher will provide you with three possible templates. You must use one of the three templates provided, or have your own format pre-approved.

Your bookmark must include:

On the front:

- Title of the Book
- Your Name
- Author's Name
- Genre
- Characters – List at least 2 main character, maximum 5 characters.
Write a one sentence description of each character you choose.
- Setting – tell the major settings and time period for the story.
Include a mini picture that represents one of the settings.

On the Back:

- A summary of your favourite part of the story. Be sure to include why it is your favourite part
- A rating of the book – Use a rating system of 5 stars or books or some other appropriate symbol. State a reason for your rating.
- You may want to add an illustration to the back.

Other things to consider:

- Spelling, neatness
- It is suggested you type or fine-line all text
